GODS?
WELL...
THEY DON'T EXIST.
...HOW COME? THEY COULD EXIST.
NO.
IT'S SOME FANTASY HUMANS MADE.
THE BIBLE, THE BUDDHIST SCRIPTURES, AND THE LIKES ARE LIKE OLD VERSIONS OF THE LORD OF THE RINGS, GOT THAT?
The Lord of the rings.... Do you even know what you are saying...
RELIGIONS EXIST TO CONTROL PEOPLE!
HAHA... IS THAT SO?
UM... YOU SEE...
AND
IF GODS EXISTED,
WHY WOULD MY DAD HAVE DIED LIKE THAT...?
HOW....
.....
ANYWAY, YOU CAN ONLY COUNT ON YOURSELF.
SO, YOU HAVE TO WORK HARD FOR YOURSELF TO LIVE BETTER.
So, let's study hard and get into a good university!

My lovely Chu-ni

2014. 2. [illegible]

When I met you earlier, I meant to break up with you... But it wasn't easy and I was forced to send you this text instead... We both know that it is important period for us... Let's reach our goals and meet up later... I am not trying to come up with an excuse, but I lost a lot of grades after seeing you... My mom cried last night... I don't believe in Gods but I do think 'Ki' exists... And I feel you have a pretty strong Ki.
So, I thought you were pretty well suited to carry on your mom's career whenever you metioned that your mom wanted you to carry on her career. Anyway, you are a good and kind girl... who can't even hurt a homeless cat... It was short but I enjoyed our relationship... Bye...

STARTLE
What a scary young lady...
Is this jerk trying to say that I am the cause of his fall in grades?
How could this bastard do this to me...
